Other Notes/Reminders:

Please remember to check your child's
folder daily.

How Parents Help

Please send in a note if you are having
trouble getting on-line with the science
series. Assignments for homework will be
listed on the board and may be completed
on-line.

At the end of each day we make a list on
the board of all materials needed for
homework. If your child is forgetting books
please send me a note so we can help
them get organized.

Please read through the 3-4-5 grade group
policy packet to be sent home on 9/10 and
return signature slip on Monday 9/13.

Have a great week!

Mrs. Benfer and Miss Lynch
